■ Headwall	

- NOTES**
- 1) Original MS4 GIS data from HRG February 10, 2012. Various storm sewer components have been field verified, GPS'd and/or digitally located from aerials/plans. Ongoing updates started in 2015.
 - 2) The Rights-of-Way shown on this map are a graphical representation provided as a courtesy only, and are not warranted to be accurate descriptions of the actual Rights-of-Way.
 - 3) Stream data is from Chester County GIS Department and Pennsylvania State University and has not been field verified by this office, 2016.
 - 4) Watershed delineation from the Pennsylvania Department of Environmental Protection, 1997, and refined based on field reconnaissance in 2019.
 - 5) Tax Parcel Lines are from Chester County GIS Department, 2019.
